REQUEST TO VACATE OR MODIFY ORDER

Plaintiff Christian Paoli, pro se, respectfully requests that this honorable court vacate its order of June 29, 2007.

In support of this request and filed were with are plaintiff's motion to amend the complaint and a amended complaint which if the court accepts would make defendant Delaware Technical and Community College's Motion for Judgment moot at this time.

Plaintiff to this date has not fully recovered from the injuries complained of and is still under the care of Neurologist Dr. Peet.

Plaintiff responded in a timely manner, to the Defendant of the State of Delaware's Motion for judgment on the pleading and failed to realize that the defendant Delaware Technical and Community College had buried its Motion for Judgment on the Pleadings behind a response to Plaintiff's Request for Injunctive Relief.

Although the Court signed this order on Friday, June 29, 2007, it was postmarked as having been mailed on July 3rd and due to the 4th of July holiday, was not received until the afternoon of July 6, 2007. Should the Court in its wisdom not vacate this order plaintiff requests additional time to respond in light of the numerous sites which would have to be researched.

Respectfully submitted,

Christina Paoli
